EXPERIENCE

Co-Founder & Designer for MEDIA76

Freelance company specializing in web and graphic design. My responsibilities include overall company image, web design, client-side development & branding for clients.

Brentwood, Tennessee
2008 to present

Art Director for PureZa For Life

Pet wellness company that believes together we can, and will, improve the lives of pets and individuals who rely on them as their trusted companions.

Kennesaw, Georgia
2014 to present

Graphic Designer for Team Dynamic

Professional gaming organization with over 100 league, tournament, and LAN titles, making it one of the most prolific teams in North America.

Beaufort, South Carolina
2005 to 2009

Designer for LiveSmart 360

Direct sales company passionate about creating world class nutritional products. My responsibilities included web design, user interface, print design & client-side development.

Sarasota, Florida
2012 to 2014

Supervisor for Laser Chase

Non-profit jungle themed laser tag and birthday facility. My responsibilities included opening/closing the store, managing employees, bookkeeping & customer relations.

Franklin, Tennessee
2010 to 2012

Founder & Designer for Fusion 9

Online graphics community to teach and inspire others in graphic design. My responsibilities included web/graphic design, managing online forums & critiquing member artwork.

Asheboro, North Carolina
2003 to 2005
